The name of the company has been changed from Prakash Woollen Mills Limited to Prakash Woollen & Synthetic Mills Limited with effect from 27th Day of July 2015.

Prakash Woollen & Synthetic Mills Limited, was established as manufacturing concern of Woollen Blankets, the Company rapidly honed the skills of the trade. Later on our skills that were amply showcased in company helped us to go into backward and forward integration and become a composite unit. The company started making acrylic Mink Blanket from 1995. It was the 1st mink blanket manufacturing company in north western Uttar Pradesh and about 140 km away across the border of Delhi.

In a strategic move Prakash Woollen & Synthetic Mills Limited entered into a field of Mink Blankets the diversification of this product was achieved with technical assistance from South Korea who are the leaders in Mink Blankets. The entire project and the technology have been imported from Korea is of the latest state of art technology. After 13 years again we diversify the product from acrylic mink blanket to polyester mink blanket with Chinese technology and again it was the 1st polyester mink blanket in India.

In four decades of its existence the company has acquired the capacity to manufacturing over 2.4 million of Mink Blankets per annum.

Prakash Woollen Mills Limited already has its presence in domestic market with a strong dealer network and over the years has gradually increased its presence across the globe and today is the symbol of quality and familiar name in Blanket Industry.

In financial year 2022-23 The Company intends to increase production capacity from 24 lakh blankets of double bed size to 36 lakh blankets of double bed size at its present location i.e. 18th Km. Stone, Delhi Moradabad Road, NH-24, Village Amhera, Distt. J.P Nagar UP-244102. By this effort the employment is increasing day by day, labour is getting work to fulfill their needs.
