# Owner of 4-star hotel among 6 held

The Delhi Police on Wednesday arrested six people, including the owner of a four-star hotel, in connection with the murder of a 57-year-old estate officer of the New Delhi Municipal Council (NDMC) on May 16, a day before he was scheduled to pass the final order on the hotel's

use mai order on the hotel's lease terms.

"Apprehending an unfavourable order, which would have resulted in huge monetory loss and eviction from the property, the hotel owner, Ramesh Kakkar, hatched the conspiracy to eliminate Khan, who was known to be straight and fair in his job." Special Commissioner of Police (Law & Order/South) P. Kamaraj said.

The NDMC had sealed the property last year and resumed its possession after the hotel authorities failed to abide by the eviction order following expiry of the lease. The other party had then taken the matter to the court, police said.

On the direction of the High Court, than was made the Estate Officer and he was to pass the final order in the lease matter, which is a quasi-judicial action, on May 17.

Khan's family claimed that there was tremendous pressure on him from his seniors to waive the penalty of around ₹140 crore imposed on the hotel for violation of license term, a matter which is still being probed by police.

To execute the plan, Rakkar (48) contacted Ram Phool (46) and Israil (31), both former employees (houncers) at Kakkar's night-club in Greater Kailah area, which closed down around five years ago.

The contract for killing was fixed for a mere 72 lakh, of which 750,000 was paid in advance. Soon, others identified as Saleem Khao (22), All and Billy Ahmwar Omain.
